Key Cylinders have an internal dust cover and come complete with two double bitted keys. They are marked with a "P" followed by a three digit number (i.e., P220). Order replacement cylinders/ Keys to match exsisting locks.

ProTech manufactures our standard aluminum cross-body boxes with a sleek, low profile design. Patented dual action slam locks feature an innovative tandem latch system that opens both locks at once, from either side of the single lid boxes. Slam locks latch securely and are standard on both single and dual lid boxes. Choose smooth or diamond plate lids at no additional charge. Mounting kits are also available to mount the box in the truck.

ProTech Boxes Featuure:

- We stand behind our quality with a 5-year limited warranty giving you total peace of mind
- 1/8" thick, marine grade aluminum alloy for greater strength and corrosion resistance
- Stainless steel t-handle locks and hinges stand up to years of heavy use
- Automotive quality seals keep weather, water and dust outside where they belong
